Assembly or Diwan 30 minutes

Assembly is a part of your Khalsa School Day. It is a mandatory activity, not an option. That means you have to go attend it with your class. You will see Guru Granth Sahib, learn to do Sangat with your classmates, friends and family, do Naam Simran, recite Panj Paudiaan Japuji Sahib, memorize names of the Sikh Gurus, Panj Piaray, Chaar Sahibzaday, Deh Shiva Bar Mohe Ihe, and hear important announcements. You can also get Parshad.

There will be some days when you will present your projects about Sikh Identity, Guru Nanak and Visakhi in class. In that case, the Gurmat lesson of the day might be assigned as homework. It will be a great idea to read Gurmat lessons with family. That way the whole family can learn Gurmat.

Note to the Student and Parent: Parents please read this Pacing Guide and sign at the bottom. You will use it every day for homework.

This Pacing Guide gives you the learning schedule for every week. We have to learn many topics this year. We have divided the topics in 30 week lessons. It is important that you attend school every Sunday, but if you are absent from school, make sure you do your work for that week. Your class will not stop working when you are not there. It is your responsibility to make up the work you miss when you are not in school. You can watch the videos of each lesson and do the work. Any unfinished classwork is homework.

Homework: You go to your regular school 5 days a week for 5-6 hours each day. There you will learn to read and write English and you will learn Math. You will go to Sunday school to learn Punjabi only for a couple of hours a week. If you really want to learn to read and write Punjabi, you will need to spend a few minutes EVERY DAY to practice reading and writing. Here are some ideas on how you can learn Punjabi easily. Follow these instructions.

1. Fluency Words: PSL Book 1AB has the Fluency word lists you need to read in 1 minute. Set a timer. Read these words every day. Practice until you can read in 1 minute. Write how many words per minute (WPM) you read in one minute in the logs in this Pacing Guide. You will have a test next week. Teacher will start the 1 minute timer, you will read and write WPM.

2. Spelling words. You have spelling lists in PSL Book 1AB. Write these words three times each. You will have a test on Sundays. Teacher can choose any words from this list. If you miss any words, you will write them 10 times each word.

3. Japuji Sahib: Your goal is to memorize 1-5 Paudiaan of Japuji Sahib. Dear Parent, your child needs help to memorize Japuji Sahib lines at home. Please set up time to memorize Gurbani together and how it applies to our lives each day.

4. Read **Gurmat lesson** with your family. That way they will also learn Gurmat.

The 7 Minute Magic: You don't need to spend hours and hours on anything to learn it well. What you need to do is to practice that activity EVERY DAY. You can spend a few minutes and still learn it well. What all can they do in 7 minutes? Try this 7 minute magic process.

1. Reading Fluency Practice: Read for 1 minute. Your goal is to read 20 words per minute. Set timer for 1 minute. Read the Fluency/Spelling words from Pacing Guide. How many words did you read? Write them in a log. There is a log for you on Page 13.

2. Copy a few words in your notebook from a lesson in Book 1AB in three minutes.

3. Memorize one new line of Japuji Sahib. Say it 10 times. This will take 2 minutes.

I will help my child with learning everything in Level 1AB.
