Assembly or Diwan

30 minutes

Assembly is a part of your Khalsa School Day. It is a mandatory activity, not an option. That means you have to go attend it with your class. You will see Guru Granth Sahib, learn to do Sangat with your classmates, friends and family, do Naam Simran, recite Panj Paudiaan Japuji Sahib, memorize names of the Sikh Gurus, Panj Piaray, Chaar Sahibzaday, Deh Shiva Bar Mohe Ihe, and hear important announcements. You can also get Parshad.

There will be some days when you will present your projects about Sikh Identity, Guru Nanak and Visakhi, in that case, the Gurmat lesson of the day will be assigned as homework.

Note to the Student and Parent: Parents please read this Pacing Guide and sign at the bottom. You will use it every day for homework.

This Pacing Guide gives you the learning schedule for every week. We have to learn many topics this year. We have divided the topics in 30 week lessons. It is important that you attend school every Sunday, but if you are absent from school, make sure you do your work for that week. Your class will not stop working when you are not there. It is your responsibility to make up the work you miss when you are not in school. You can watch the videos of each lesson and do the work. Any unfinished classwork is homework.

Homework: You go to your regular school 5 days a week for 5-6 hours each day. There you will learn to read and write English and you will learn Math. You will go to Sunday school to learn Punjabi only for a couple of hours a week. If you really want to learn to read and write Punjabi, you will need to spend a few minutes EVERY DAY to practice reading and writing. Here are some ideas on how you can learn Punjabi easily. Follow these instructions.

1. Fluency Words: PSL Book 2A has the Fluency word lists you need to read in 1 minute. Set a timer. Read these words every day. Practice until you can read in 1 minute. Write how many words per minute (WPM) you read in one minute in the log on Page 14. You will have a test next week. Teacher will start the 1 minute timer, You will read and write WPM.

2. Spelling words. You have spelling lists in PSL Book 2A. Write these words three times each. You will have a test on Sundays. Teacher can choose any words from this list. If you miss any words, you will write them 10 times each word.

3. Japuji Sahib: Your goal is to memorize 5-11 Paudiaan of Japuji Sahib. You already memorized 4 Paudiaan in Level 1. Do Paath of Japuji Sahib a few times each week. Dear Parent, your child needs help to memorize Japuji Sahib lines at home. Please set up time to memorize Gurbani together and how it applies to our lives each day.

4. Read **Gurmat lesson** with your family. That way they will also learn Gurmat.

The 7 Minute Magic: You don't need to spend hours and hours on anything to learn it well. What you need to do is to practice that activity EVERY DAY. You can spend a few minutes and still learn it well. What all can you do in 7 minutes? Try this 7 minute magic process.

1. Reading Fluency Practice: Read for 1 minute. Your goal is to read 20-30 words per minute. Set timer for 1 minute. Read the Fluency/Spelling words from Pacing Guide. How many words did you read? Write them in a log. There are 7 minute logs for you at the end of Pacing Guide.

2. Copy a few words in your notebook from a lesson in Book 2A in three minutes.

3. Memorize one new line of Japuji Sahib. Say it 10 times. This will take 2 minutes.

I will help my child with learning everything in Level 2.

Parents please sign this page of Pacing Guide. See the steps below on how you will use this Pacing Guide:

1. Each week, work with your child to learn to speak about one topic in Punjabi. They will share their speaking skills in class.
2. Every day read the Punjabi Reading Fluency letters/words with your child. Have them practice them many times and read them in 1 minute or less.
3. Every day have them practice writing spelling words in their notebook.
4. Every day, help them do their homework in PSL Book 2A.

5. Every day help them do the 7 Minute Magic Log on the back of Pacing Guide.
6. Put a $\checkmark$ next to each task when they finish it. If the class runs out of time, then Gurmat lesson will be for homework. Read with them.

As a part of your learning, you will take many tests each week. You need to study for these and get good scores. That way you will learn Punjabi, Sikhi and Gurbani well.

1. Weekly 1 Minute Reading Fluency Test: One of your reading goals is to read 20-30 words in 1 minute. If you practice reading every day, you will become a fluent reader in a few years. Each week, you will take the 1 Minute Reading Fluency Test. You will read for 1 minute, count and write how many letters/words you read in 1 minute (WPM). Read them many times until you can read them in 1 minute at home every day. The log is on Page 3.

Reading Fluency Practice: Reading Fluency Words Lists are in your PSL 2A Book on pages 2-6. How can you learn these letters and words? Follow the directions on the next page.

Read all letters/words many times every day until you can read them in 1 minute. Then write how many words you read in 1 minute (WPM) in the table below. You can keep a record here for 140 days.

[illegible]

2. Weekly Spelling Test: Starting with 3rd week, you will have a spelling test every week. The words are in PSL Book 2A. Study them while you do homework. If you miss any words, you will write those words 10 times for homework in your notebook. So it is better if you study them and don't make mistakes.

Punjabi Conversation Topics: You will practice speaking in Punjabi in class. Here are the topics for each week. Practice speaking at home before you come to class.
